## PROFILE

As a dedicated Python developer, I am eager to apply my skills and experience to help companies achieve their goals. With experience in web development projects as a freelancer, I have demonstrated my ability to create efficient and effective solutions. I am a quick learner, always seeking out new knowledge. If you are looking for a talented and motivated Python developer, please consider me for your team.

## SKILLS

- Python
- Django (backend development )
- Front End Coding(html,css,js - react)
- Backend Developer
- Beautiful Soup & scrapy (scrapping)
- flask
- Api development
- Automation & bots (python)
- Bootstrap
- Cyber security

## EXPERIENCE

### FRESHER

### FREELANCER WEB DEVELOPER

2021 - Present

As a web developer, experience has been gained in creating websites for local businesses. A variety of projects have been developed, including a bot for Instagram, a Reddit automation project, and a data scraping project. Work with APIs has also been completed, and skills in programming languages such as HTML, CSS, and JavaScript have been cultivated. The ability to manage multiple projects effectively and deliver high-quality results has been demonstrated. Strong problemsolving skills and attention to detail enable the creation of functional and visually appealing websites that meet the needs of clients.

## EDUCATION

### BACHELOR OF SCIENCE

Shrimant Madhavrao Scindia Collage  
2019 - 2022
